WARNING PLACEMENT OF POLITICAL SIGNS

Dear 2003 City Commission Candidate:

Please advise your campaign workers that the placement of political signs within the City limits is governed under Section 138-134 of the City Code, which provides that:

Signs in a single-family district are limited to four (4) square feet in size and are limited to one sign for each legal parcel. Signs in the business district, multi-family, and industrial districts are restricted to one (1) square foot per three (3) lineal feet of the property's street frontage for a maximum of seventy-five (75) square feet. No signs are permitted on the City rights-of-way. All election signs shall be removed seven (7) days following the election to which they are applicable.

In addition, it is unlawful for any person to paste, glue, paint, etc. to any surface on any public street, sidewalk, curb, etc. any political sign(s).

As we have done with all illegal posters and signs, a \$50.00 fine, and a \$23.00 administrative fee for the removal of each sign will be charged. In addition, these signs will be confiscated and destroyed.

We appreciate your cooperation and assistance in keeping our City clean. If you have any questions you may contact the Code Compliance Division at 305-673-7555.

Sincerely,

Albert P. Childress
Director
Code Compliance Division
